ULYSSES' PROPHECY

ULYSSES FINDS HIS COUNTRY INVADED BY FOREIGNERS

ANONYMOUS
ONLY FOR EUROPEANS

ULYSSES' PROPHECY

Ulysses' return to his homeland. The foreigners who occupy his country. The elimination of these foreigners and the subsequent period of happiness remind us of the stages of a prophecy.

Could it be that the previous stages could be interpreted as stages in the history of Europe?

In the following installments, we will analyze the stages and their possible connection to the history of Europe.
